Honorable Gary Hart
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Senator Hart:

I believe it is most important that the dialogue between the Intelligence Community and Congress be two-way, and that Community employees have firsthand contact with those charged with Congressional oversight of intelligence. I am therefore delighted that you could speak to and answer questions from our Latin America Chiefs of Station. I met with the group shortly after you did, and know how much they appreciated and gained from your presentation. Thank you for taking the time to do this.

Yours sincerely,

STANSFIELD TURNER
